328 attorneys have mastered the art of superior client service. In the eyes of clients, these attorneys are unsurpassed in their delivery of client service. These are the BTI Client Service All-Stars 2018. This report honors the individuals able to stand out in the sea of legal services providers to represent the cream of the crop.

Corporate counsel single out each attorney—by name and in an unprompted manner—as delivering the absolute best client service. No attorney or firm can self-nominate, self-refer, nor pay to be included in this report. Clients have the final—and only—say.

This year's Client Service All-Star lineup is especially strong. These client-savvy attorneys stand out for delivering the best client experience. We note 6 associates standing out for superior client service—an enormous accomplishment, and advantage, for each of the 6 as they move forward in their careers.

We congratulate each and every BTI Client Service All-Star. They continue to exceed clients' ever-rising expectations, as measured by the most demanding clients—the sole and final judge.

This year, clients point to a new reason driving a BTI Client Service All-Star-level performance—a superior client experience. This new driver ups the standard for every attorney, including the All-Stars, as clients expect more. We discuss this on page 4.

## BTI Client Service All-Stars 2018

Now in its 17<sup>th</sup> year of publication, the *BTI Client Service All-Stars* is the gold standard used by corporate counsel and law firms alike to identify the attorneys delivering the best client service.

BTI congratulates each of the 328 individual attorneys honored in the *BTI Client Service All-Stars 2018* and applauds their skill and dedication to providing superior client service.

18 attorneys—a mere 5.5% of the *BTI Client Service All-Stars 2018*—are making repeat appearances. Clients single out these MVPs providing consistent service over time—proving themselves as the best at client service time and time again.

Only 72 law firms are home to 2 or more BTI Client Service All-Stars. These firms account for 251 BTI Client Service All-Stars—suggesting a culture of client service which is more dominant than at other firms. 28 of these law firms are also singled out by clients in the *BTI Client Service A-Team 2018*, appearing on this year's BTI Client Service 30.

### All-Star Scarcity:

**11% of All Firms Serving Large Clients Are Home to More than One All-Star Attorney**

### The Elite MVPs:

**Attorneys Recognized 2 or More Years in a Row**

## THE 6 TRAITS OF A CLIENT SERVICE ALL-STAR

### SUPERIOR CLIENT FOCUS

A BTI Client Service All-Star never forgets:  
**the client and the client's needs and goals come first.**  
30.8% of All-Stars earn their nomination through providing exceptional client service by tailoring their services to meet the needs of clients.

**#1**

**#2**

### CLIENT EXPERIENCE

Clients seek a superior experience in every interaction they have with their attorneys. 30.3% of All-Stars earn their nomination by providing a consistent client experience across all touchpoints.

### LEGAL SKILLS

Many All-Stars earn recognition through their exceptional legal skills. The results these attorneys deliver far exceed what the client thought possible.

**#3**

**#4**

### UNMATCHED BUSINESS UNDERSTANDING

All-Stars know the best way to truly help clients is to first understand their business. Every conversation, action, and recommendation considers industry dynamics, business objectives, current events, and competitive pressures.

### OUTSIZED VALUE

Providing value continues to drive nominations to this elite list. Clients face strong cost pressures when hiring law firms and want to feel they are getting a deal—no matter the price tag.

**#5**

**#6**

### INNOVATIVE THOUGHT LEADER

Thought leaders provide unique, creative solutions to drive a competitive advantage for their client's business.

## 328 ALL-STARS, 6 DRIVERS.

Despite the number of personalities and varying expectations corporate counsel place on attorneys, there are 6 common characteristics shared by the attorneys singled out by clients as best.

The good news is most of these traits are learnable.

## The 6 Traits of a Client Service All-Star

### Client Experience

This year corporate counsel single out a new trait—superior client experience. This comes on the heels of a [sharp consolidation](#) in firms corporate counsel turn to for their legal needs, making the relationships with the chosen few even more important.

C-level executives will seek out and pay premium rates for a superior, reliable, and predictable client experience. The BTI Client Service All-Stars treat their client relationships as a continuum. It doesn't end. Each experience adds to the relationship, from pitch to post-matter briefing to ongoing communication during and between matters. And these interactions are all built around client preferences and adding value.

The more consistent the client experience, the more clients feel they can rely on their attorneys. Your consistency across interactions and touchpoints leads to predictability and trust—building the strongest and longest lasting client relationships.

## **CULTIVATING CLIENT SERVICE STANDOUTS**

## LAW FIRMS HOME TO MULTIPLE ALL-STAR ATTORNEYS

### Cultivating Firmwide Success

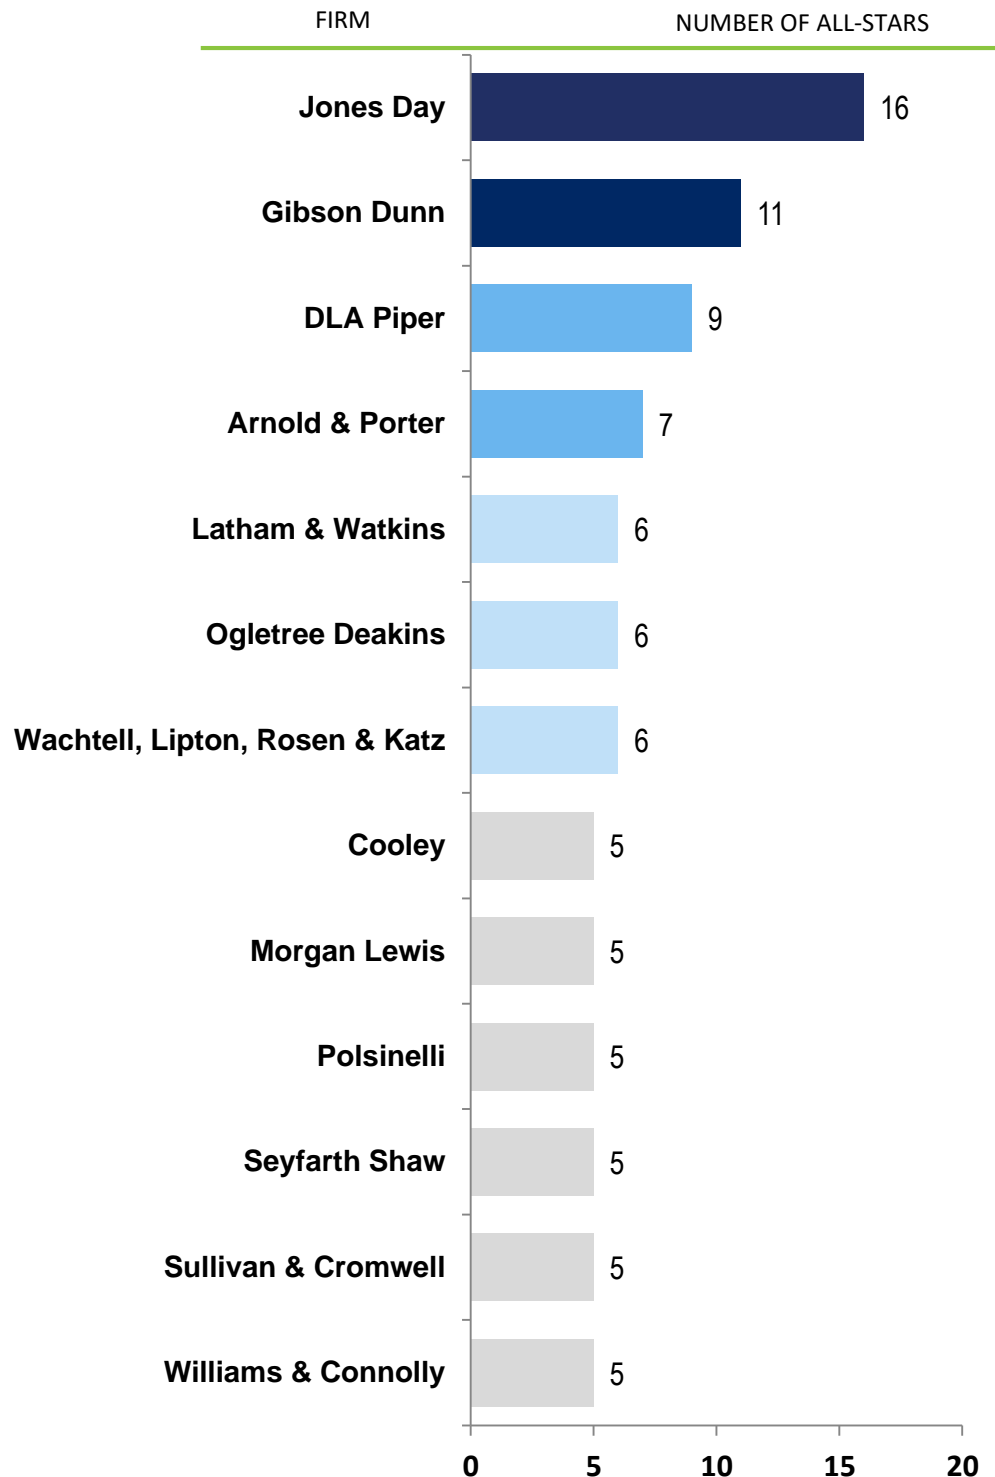

Of the 650 law firms serving large organizations, only 72 are home to more than 1 BTI Client Service All-Star: a truly elite group of standout firms.

These firms demonstrate their firmwide commitment to client service excellence. It is no surprise to learn over 80% of these firms are also featured in the top 100 in the *BTI Client Service A-Team 2018*—BTI's definitive annual ranking of the law firms legal decision makers recognize for delivering the absolute best client service.

#### New Records

Jones Day sets a new record as home to the largest number of BTI Client Service All-Stars, with 16. The firm shows an ongoing and unrelenting commitment to not just delivering, but also improving, client service.

## **HOW TO BECOME A BTI CLIENT SERVICE ALL-STAR**

1

## INGRAIN YOURSELF IN THE **BUSINESS**—NOT THE MATTER

*Institutionalize relationships to make yourself indispensable*

### **Talk business to me.**

Cloak all your recommendations and guidance in the context of the client's business. Legal decision makers say business context most differentiates one attorney from another. As attorneys, the work demands understanding industry dynamics, current events, and competitive pressures. However, equal importance needs to be placed on business objectives and communicating with the client in terms they understand—and value (translation: speak in terms of business outcomes and impacts, along with your legal insights).

### **Think past the work.**

The work is important, but is only one component of a successful relationship. Many attorneys are capable of providing effective counsel. Few focus on building the business relationship. Meet with clients twice or more a year to build your relationship in a systematic manner—discuss their changing goals, pressures they are feeling from their management, and offer new thinking or strategies for them to consider based on changes in external factors.

### **Teaching is the gateway drug.**

Teach clients something they don't know and will help them do their job better (or help them personally). No charge. Taking a step to prove you are invested in the client earns you their investment back.

### **7 Steps to Ensure You Don't Grow Relationships**

1. **Focus only on the work**
2. **Don't ask clients about their business objectives**
3. **Keep your best ideas to yourself**
4. **Respond quickly, but not as fast as a competitor**
5. **Don't take the obvious next step without being asked**
6. **Avoid offering opinions before being hired**
7. **Act like you are trying to win the work—instead of acting like you have the work**

## STEP 2: ASSESS YOUR CLIENT RELATIONSHIPS

## 2

### ASSESS YOUR CLIENT **RELATIONSHIPS**

*Be certain of which relationships need immediate repair and which are ready to grow*

#### **Invested clients behave differently.**

Stated behavior often differs from actual behavior—particularly when it comes to clients. When asked if they would recommend a named provider, 85% of clients said yes. Later in the same study, when asked which providers they would recommend (without prompting them with the provider's name), fully 45% of executives did not name the provider they said they would recommend earlier.

It's the difference between what clients tell us they will do (many times so we do not force them to have an uncomfortable conversation) and what they will actually do in a given situation.

Building client investment isn't just good for the client. Attorneys and law firms with higher levels of client investment enjoy:

- Higher growth
- Increased profits
- Greater client retention

#### **Do You Know...**

**If your clients really think of you first?**

**How your performance stacks up against others serving your clients?**

**If something you are doing is driving your clients crazy—even just a little?**

**How your clients rate you in the activities proven to drive superior relationships?**

**If your relationship is improving, declining, or stagnant?**

Every professional whose client is invested in the relationship knows the answers to these questions and more.

### **STEP 3: IMMEDIATELY BOOST RELATIONSHIPS BY IMPROVING CLIENTELLIGENCE**

## IMMEDIATELY BOOST RELATIONSHIPS WITH **CLIENTELLIGENCE®** *Pinpoint your strengths—and weaknesses—in the activities proven to drive growth*

BTI's more than 25 years of research pinpoint the 17 activities responsible for driving the absolute best client relationships. In essence, they are how clients define client service excellence and what clients expect out of the firms with whom they have the best relationships. The best-in-class performances in these activities are proven to drive superior financial performance.

There's only 1 way to determine if you are hitting the best-in-class threshold: ask.

Client feedback allows you to unequivocally pinpoint where you are excelling and where you need systematic improvements in your relationships.

The best feedback initiatives not only assess how you and your firm perform, but also look at the performance of the competitors also serving your clients. At the end of the day, what does it matter if a client thinks you are doing great, if a competitor is doing better?
